Some Musical Riddles

These riddles will test how good a musical detective you are.

Wondering what to do? Just follow these instructions

- Work out the answer to each clue in the riddle except the last (it will be a single letter)
- Write the letter on the correct dotted line beside the final clue
- If you've worked out each clue correctly you will find a word which is the answer to the final clue in the riddle

Are you ready? Off you go!
